£65.99 inc vat

About this Product

Create a space for natural exploration with our Bamboo Chutes. These simple tools are far more than just bamboo sticks, they're the building blocks of creative play and scientific discovery. Constructing a water wall, experimenting with gravity, or creating a construction site, these bamboo chutes will be the stars of the show. A staple resource for any setting, adding a touch of nature-inspired fun to a variety of activities.
